

March 2 1946

Mr Wm. B. McKechnie Jr.
Dunn Field
Trenton N.J.

Dear Mr McKechnie;

Our league is meeting in Baltimore March 12th, to make up our schedule. At that time I want to plan for the games in Trenton. In view of this fact, will you please send me confirmation for the following dates.

May 18 - 24 Possibly the night of the 30th

June 1 - 15th Possibly the 7th and 25th

July Possibly the night of the 4th.

We only make our schedule up to the 4th of July. We play the season in halves. Therefore I will not ask for the other dates at this time.

If you have started playing night ball by the 7th of May we could possibly use The 7th or 8th. I know you want to open the night season at home. When do you plan to start?

Here in Newark Adler shoes puts out a pocket schedule for us the same as they do The Bears. Do you have any one in Trenton who does it for your team? If so I will contact them and see if they will do it for us, if you will tell me who they are.

I will appreciate hearing from you right away, as I plan to leave here the end of this week for Baltimore.

Very Truly Yours
